

Universal adapters

Universal adapters with reduction rings to mount directly the 1 - 2 - 3 - 4 Kg coffee cans on any type of grinders. The adapters are complete with security shutter.

The adapters allow to connect from 1 to 4 kg cans to coffee grinders, replacing the plastic bell. The strength of our adapters consists in being able to provide a solution for all types of coffee grinder.

Our database is already equipped with a wide range of models, however we are able to provide customized solutions on demand.

- Patented
Our solution is completely patented.
- Flexible
Able to simply adapt to the various types of packaging on the market.
- Possibility of mixed order
It is possible to order a minimum of 10 pieces with different connections for different brands of coffee grinders
